“		Same year/age		Samuel's age – discussion in period of judges						
~		Possible later year or older age		Saul's age – various translations of 1 Sam 13:1, particularly the ASV; also Jonathan's age taken into account						
?		Complete guess		Jonathan's age – 20 based on his first military engagement in 1 Sam 13:3						
x		Time of death		Ishbosheth's age – 2 Sam 2:10						
*		Deeds of David's mighty men likely surround marrying of Michal – exact order impossible to determine		David's age – 2 Sam 5:4; 15 y.o. guess, late teens assumed; 20 y.o. guess, when Saul makes him a captain						
**		Benaiah son of Jehoiada slaying the Egyptian (2 Sam 23:21; 1 Chron 11:23) could be around time of marrying Michal, or when David was in Ziklag (1 Sam 27:8); it specifically mentions going “as far as the land of Egypt.”		Mephibosheth's age – 2 Sam 4:4						
†		Ziphites betray David twice; Psalm 54 seems to go with latter betrayal since it is while there had been a truce between Saul & David								
			Psa 39	Scholarly placement of Psalm (<i>Reese Chronological Bible</i>)
